

# skin correctives

## FACIAL IMAGING PREPERATION

- Cleanse face at least 4 hours before appointment time
- If your appointment is first thing in the morning, cleanse face the night before
- DO NOT apply moisturiser
- DO NOT apply SPF
- DO NOT apply any makeup
- Come with NOTHING applied to the skin after cleansing

**NB: We ask this because we would like to measure the skin's natural lipids being secreted and not your products.**

Please make a note of all the products you use on the skin and medication and supplements you are taking orally or bring it all along to your appointment.

If you have any further questions please call the clinic on **4297 7455** and talk to one of our friendly staff.
